ICS Principal Jane Bona *David and Goliath...*

"God chose you, and appointed you to go and bear fruit." John 15:16
Mission Possible. Go Make a Difference!

It was a chilly Sunday afternoon in October, 2016, when a very unlikely turn of events occurred -

David slew Goliath! For Immaculate Conception School (David), it was the victory in the Catholic Athletic Association's Twin Cities Soccer Championship! We opposed the perennial favorite (Goliath) who had achieved multiple championships and had many more students on their all male team. There were dozens of reasons that we should not have won that game, however, the spirit of our *co-ed* team, made up of our students, many of them first generation children of immigrants from African, Central and South American nations carried our small but mighty team to the win that day! *We went out and made a difference!*

Thus began the impetus of our dream of providing a sports field right here on campus for the current students, and our future ICS students in the years ahead. When you visit IC during Summer Jam and Fun Fest, you will see great progress in the work on the sports field. Our dream is to make this sports field a legacy from our generous alumni. We are asking for your consideration in making a monetary gift for the

completion of the field. You will be hearing more from us in the months ahead regarding this endeavor.

Go out and make a difference!

As our theme for this year states, our students of today, just like the students of years gone by, are taught that *we have been chosen by Christ to go and bear fruit, to make a difference!* They learn this message through the continued belief in our Faith, Academics and Service. Please join me and the ICS staff in making a difference in children's lives by visiting me during Summer Jam, or making an appointment to see what this amazing school does each day transforming lives through Catholic education.

Blessed to Serve,

Jane Bona, Principal
